

KENTUCKY EXPORT INITIATIVE

Request for Export Support & Application for U.S. Small Business Administration (SBA) State Trade Expansion Program (STEP) Year IX (October 2020 – September 2021)

IMPORTANT

The Governor's Kentucky Export Initiative is a consortium of leading trade and business promotion organizations, working together with companies to help build Kentucky's exporting capacity and productivity.

The Kentucky Cabinet for Economic Development, World Trade Center Kentucky, U.S. Export Assistance Centers, Kentucky Chamber of Commerce, Northern Kentucky International Trade Association, Kentucky Association of Manufacturers, and numerous partner organizations help companies identify and develop export opportunities through market research, education, international partner searches, customized business agendas, trade missions and trade shows, and more.

The U.S. Small Business Administration awarded the Kentucky Export Initiative a grant to support the export growth of small companies. This grant provides financial assistance for activities that help companies explore new markets, identify new buyers, and prepare for global business.

The information collected in this form will be used to determine your company's eligibility for SBA STEP grant financial assistance, to recommend appropriate export assistance services to your company. Submission of this form does not in any way obligate your company to accept export assistance services. Your signature on this document does obligate your company to the terms and conditions contained within only if your company accepts an offer of SBA STEP grant assistance.

Eligible companies may receive up to \$10,000 in STEP assistance for export development activities. Stories and information related to your company's export success resulting from assistance through the STEP grant and/or KEI will be shared with the SBA and KEI member organizations.
